

Curriculum Vitae

Name: Beatrice Beebe, Ph.D.

Birthdate: June 8, 1946

Birthplace: Washington, D.C.

Citizenship: U.S.A.

Academic Training

1964-1966: Smith College

1968: B.A., Barnard College, Cum Laude

1973: Ph.D., Columbia University: joint doctoral program in clinical and developmental psychology, Teachers College.

Doctoral Dissertation: Ontogeny of positive affect in the third and fourth months of life of one infant (Columbia University, 1973). *Dissertation Abstracts International*, 35 (2), 1014B. Sponsor: Daniel Stern, M.D.

1973-1975: NIMH Fellowship: Postdoctoral Program for Research Training in the Biological Sci.Relevant to Mental Health, NYSPI, Columbia University; Mentor Daniel Stern, M.D.

1986: Certificate of Specialization in Psychotherapy and Psychoanalysis, N.Y.U. Postdoctoral Program

Professional Organizations

Society for Research in Child Development

American Psychological Association

Editorial Board of Psychoanalytic Dialogues

Rapaport-Klein Study Group, Austen Riggs Center

Academic Appointments

1977-1993: Assoc. Prof. Clinical Psych., Ferkauf Grad. School of Psychology, Yeshiva Univ.

1980-1989: Lecturer in Psychiatry, College of Physicians & Surgeons, Columbia University.

1980-1985: Visiting Assist. Prof. Psych. N.Y. Hosp. Cornell Med. Center, w/ Dr. Daniel Stern.

1987-ongoing: Core Faculty, Institute for the Psychoanalytic Study of Subjectivity

1989-ongoing: Faculty, Postdoctoral Program in Psychoanalysis, N.Y.U.

1990-1994: Visiting Assoc. Prof. Psychology (in Psychiatry), College of P&S, Columbia Univ.

1994-ongoing: Faculty, The Psychoanalytic Center, Columbia University

1995-2003: Assoc.Clin. Prof. of Med. Psychology (Psychiatry), College of P&S, Columbia Univ.

2003-ongoing: Clin. Prof. of Med. Psychology (Psychiatry) College of P&S, Columbia Univ.

Honors

1973: Election to Kappa Chapter of Sigma XI, Columbia University (Honorary Scientific Research Society of North America)

1999: Distinguished Scientific Award, American Psychological Assoc., Division of Psychoanalysis, April.

2002: The John Bowlby Memorial Lecture, London, March.

2002: The Lily Gondor Memorial Award, Postgraduate Center for Mental Health

2005: The Solnit Award for contribution to the *Psychoanalytic Study of the Child*.

2006: NIP Book Recognition Award for:

- (1) Beebe, B., & Lachmann, F. (2002). Infant Research and Adult Treatment: Co-Constructing Interactions. Hillsdale, N.J.: Analytic Press., and
- (2) Beebe, B., Knoblauch, S., Rustin, J., & Sorter, D. (2005). Forms of Intersubjectivity in Infant Research and Adult Treatment. New York: Other Press.

2008: The Morton Schillinger Award for Lifetime Contributions to Psychoanalysis, American Psychological Assoc., Division of Psychoanalysis, Section V. April 12. Shared with Frank Lachmann, PhD.

Current Fellowship and Grant Support

Basic Research

2006-2007: Anonymous Donor, \$30,000, Ph.D./Infant Research Fund, \$30,940

2007: Individual Donations, Beatrice Beebe, Ph.D./Infant Research Fund, \$14,200

2007-2009: Fund for Psychoanalytic Research, Mother-Infant to Stranger-Infant: Depression and Attachment, \$40,000

2008: Koehler Foundation, Munich, Germany: P.I.: "Mother-infant self- and interactive regulation and maternal distress. \$20,000.

2008: The International Association for Psychoanalytic Self Psychology Research Committee, \$10,000, Beatrice Beebe PhD., Infant Research Fund.

9-11 Mothers and Young Children Project

2007-2008: Kenworthy-Swift Foundation, \$25,000

2007-2009: American Psychological Foundation-Visionary Grant, \$10,000

2007-2008: Scott Hazelcorn Children's Foundation, \$15,000

2007: The American Psychoanalytic Fund, \$5,000

2008-2011: Scott Hazelcorn Children's Foundation, \$75,000

Past Fellowship and grant support: Basic Research

1968-1969: New York State Regents Fellowship

1969-1971: NIMH Training Grant In Developmental Psychology

1972-1973: NIMH Predoctoral Research Fellowship

1973-1975: NIMH Fellowship, Postdoctoral Program for Res. Training in the Biolog. Sci. Relevant to Mental Health, NYSPI, Columbia Univ., Daniel Stern, M.D 1986-1989: NIMH Grant 41675, Interpersonal timing and infant social development, Co-Investigator w/ Jaffe, Feldstein, Crown & Jasnow: \$847,087.

1991-1992: Institute for Brain Function Research grant, "Four-year follow-up of normal infancy development project", P.I.; w/ Jaffe: \$2,500.

1991-1993: Fund for Psychoanalytic Research, "Do early vocal dialogues of infants and depressed mothers predict infant attachment?" P.I.; w/ Jaffe: \$24,000.

1994-1995: Koehler Foundation, Munich, Germany, P.I.: Self and Mutual Regulation in Depressed and Control Mothers and their Infants", \$19,800.

1995-1996: Edward Aldwell Fund, P.I.: "Mother-infant interaction in depressed and control mothers", \$6,000.

1996-1997: Edward Aldwell Fund, P.I.: "Mother-infant interaction in depressed and control mothers", \$6,000.

1996-1997: LA Infant Research and Psychoanalysis Fund, P.I.: \$3,650.

- 1997-1998: Edward Aldwell Fund, P.I.: "Mother-infant interaction in depressed and control mothers", \$4,000.
- 1998-1999: Edward Aldwell Fund, P.I.: "Mother-infant interaction in depressed and control mothers", \$2,000.
- 1999-2000: Edward Aldwell Fund, P.I.: "Mother-infant interaction in depressed and control mothers", \$2,000.
- 1999-2000: Koehler-Stiftung Foundation, Munich, Germany: P.I.: "Mother-infant interaction, maternal depression and the prediction of infant attachment, \$15,000.
- 1999-2004: National Institute Mental Health Grant, P.I., with Joseph Jaffe and Patricia Cohen, "Mother-infant regulation: Depression and Attachment. \$203,965.
- 2005: Koehler Foundation, Munich, Germany: P.I.: "Mother-infant self- and interactive regulation and maternal distress. \$20,000.
- 2006: Gruenthal Fund for Infant Research and Psychoanalysis: \$6,500.
- 2006: Individual Donations, Beatrice Beebe, Ph.D./Infant Research Fund, \$30,940

Past grant support: 9-11 Mothers and Young Children Project

- 2002-2003: Margaret Mahler Foundation in support of "Columbia University / NYSPI Mothers and Children of 9-11", P.I.: \$20,000.
- 2002-2003: NYC Private Foundation in support of "Columbia University/NYSPI Mothers and Children of 9-11", P.I.: \$10,000.
- 2002-2003: Support groups and parent-child video bonding consultations for mothers pregnant and widowed on 9-11. The Liberty Fund (FEMA): \$247,336. P.I.
- 2003-2004: Robin Hood Foundation: Support groups and parent-child video bonding consultations for mothers pregnant and widowed on 9-11: \$165,000.
- 2004-2005: Robin Hood Foundation: Support groups and parent-child video bonding consultations for mothers pregnant and widowed on 9-11: \$245,000.
- 2005: Alliance of Neighbors, Highlands, NJ: monies requested by 9-11 mothers to fund our therapists in South Jersey: \$17, 690.
- 2006: Kenworthy-Swift Foundation: Support groups and parent-child video bonding consultations for mothers pregnant and widowed on 9-11: \$20,000.

Teaching Experience

- 1977-1993 Tenured Associate Professor, Ferkauf Graduate School of Psychology, Yeshiva University. Courses: Infant research; Childhood psychopathology; Theories of development; Adult treatment. Chair of over 50 Ph.D. and Psy.D. dissertations.
- 1987-ongoing: Teaching Infant Research and Psychoanalysis at the Institute for the Psychoanalytic Study of Subjectivity. Teaching and supervision of treatment cases of psychoanalytic candidates.
- 1989-ongoing: Teaching Infant Research and Psychoanalysis at N.Y.U. Postdoctoral Program in Psychoanalysis.

1993-ongoing: Sponsorship of Ph.D. and Psy.D. dissertations of over a dozen students in clinical psychology drawn from departments at St. Johns, Adelphi, N.Y.U. Clinical and N.Y.U. School Psychology. These students work on research on mother-infant interaction currently being conducted at NYSPI. My responsibilities include a three-hour weekly seminar; individual supervision of the research of each student; participation in the thesis examination committee.

1994-1996: N.Y.S. Psychiatric Institute Teaching Faculty, Residency Training.

1994-ongoing: Faculty, Columbia University Psychoanalytic Center.

1998-ongoing: Faculty, Columbia University Psychoanalytic Center, Parent Infant Project.

Clinical Experience

1975-ongoing: Private practice: Individual adult psychotherapy.

1986-ongoing: Private practice: Psychotherapy and psychoanalysis; mother-infant early intervention.

2002-ongoing: Director, 9-11 Mothers and Young Infants Project: Primary prevention program for mothers pregnant and widowed on 9-11, and their young children.

Selected Recent Presentations and Lectures

2003 Oscar Sternbach Memorial Lecture: Infant Research and Implications for Adult Treatment and Distress Regulation, NPAP, October 10.

2004 New York University Psychoanalytic Institute, 24th Annual Maurice R. Friend Lecture: Infant Research and Treatment, New York City, New York, September 30.

2004 New York State Psychiatric Institute, Grand Rounds: Mother-Infant Communication Disturbances - Research and Treatment, New York City, New York, October 15.

2004 Annual Meeting of the Psychology of the Self: Mother-Infant Communication

Disturbances, San Diego, CA, November 4.

2005 American Psychoanalytic Association Special Event: Infant Research and Adult Treatment in, "Changing Our Minds: Modifying Representation of Self and Other in Psychotherapy", Susan Vaughan, Panel Chair, New York City, January 22.

2005 The Selma Kramer Lecture in Child Psychoanalysis, The Psychoanalytic Center of Philadelphia: Infant Research and Adult Treatment, March 4.

2005 The Psychoanalytic Center of Philadelphia: Mother-Infant Communication Disturbances - The Effects of Maternal Depression on Self- and Interactive Regulation, March 4.

2005 The Margaret S. Mahler Child Psychotherapy Lecture, The Psychoanalytic Center of Philadelphia: Infant Research and Early Intervention, March 5.

2005 American Psychological Association, Division of Psychoanalysis, Master Class: Infant Research and Adult Treatment, April 13.

2005 American Psychological Association, Division of Psychoanalysis: Support Groups and Video Bonding Consultations for 9-11 Mothers, Infants and Children, with Drs. Phyllis Cohen, Anni Bergman, Sally Moskowitz and Joseph Jaffe, New York City, April 14.

2005 Parent-Infant Research and Psychotherapy, The Attachment Research Unit, University College, London: Maternal Depression/Anxiety and Mother-Infant Self- and Interactive Regulation – Recent Research, London, May 20-21.

2005 Parent-Infant Research and Psychotherapy, The Attachment Research Unit, University College, London: Video-Assisted Mother-Infant Treatment, May 20-21.

2005 St. Luke's- Roosevelt Hospital, New York City: Grand Rounds Lecture, December 7.

2006 Institute for Contemporary Psychoanalysis: Infant Research and Adult Treatment, Los Angeles, November 4.

2006 American Psychoanalytic Association, Modern Ego Psychology Study Group (Chairs: Drs. Eric Marcus and Karen Gilmore): Co-constructing Self- and Interactive Regulation in Mother-Infant Interaction – A Systems View, with Dr. Frank Lachmann, January 18.

2006 American Psychoanalytic Association, Vulnerable Child Study Group (Chairs: Drs. Theodore Cohen and M. Hossein Etezady): The Use of Video in Infant and Child Treatment, with Dr. Alexandra Harrison, January 19.

2006 American Psychoanalytic Association, Seminar on Nonverbal Communication (Chair: Dr. Ted Jacobs): Facial Communication between Mother and Infant, January 18.

2006 Sigmund Freud Intitut, Kohler Foundation – Essen, Sigmund Freud Institut – Frankfurt, and Johan Wolfgang Goethe Universitat: Mother-Infant Communication Disturbances – Research and Implications for Infant and Adult Treatment, Frankfurt, Germany, May 20-21.

2006 ISIPSE, Department of Dynamic Psychology, Rome University: Infant Research and Early Intervention, Rome, Italy, May 25.

2007 Austen Riggs Center, Erikson Institute for Education and Research: Mother-Infant Communication Disturbances and the Origins of Disorganized Attachment, March 2.

2007 Bessel van der Kolk, Chair: 18th Annual International Trauma Conference: Psychological Trauma: Neuroscience, Attachment, and Therapeutic Interventions: Transmission of Trauma in Mother-Infant Communication: The Origins of Disorganized Attachment, Boston, June 22.

2007 Boulder Institute for Psychotherapy and Research: Mother-Infant Communication Disturbances: The Origins of Disorganized Attachment, July 2.

2007 PsyBC Conference: Affect Regulation-Development, Trauma, and Treatment of the Brain-Mind-Body. The Four - Month Origins of Disorganized Attachment: Disturbances of Attentional, Spatial, Touch, and Affect Regulation, Mt. Sinai Medical Center, New York City, November 3.

2008 New York Freudian Society & Psychoanalytic Training Institute, NYFS-NY Scientific Program. Mother-Infant Communication Disturbances: Research and Treatment, Mt. Sinai Medical Center, February 19.

2008 The David L. Raphling Memorial Lecture 2008. “Co-Constructing Interactions in Infant Research and Adult Treatment”, The Washington Center for Psychoanalysis, Washington DC, March 7.

2008: Lecture, New York University Counseling Psychology Forum Series, “Mother Infant Communication Disturbances” New York, NY, March 25.

2008 The Morton Schillinger Award Lecture for Lifetime Contributions to Psychoanalysis, American Psychological Assoc., Division of Psychoanalysis, Section V. Shared with Frank Lachmann, PhD. “Infant Research and Adult Treatment: Videotaping the Analyst’s Face.” April 12.

2008 Keynote Address, American Academy of Psychoanalysis and Dynamic Psychiatry, Infant Research and Psychoanalysis, “Infant Research and Adult Treatment.” Washington DC, May 3.

2008 Daylong Seminar Munich, Germany “The Origins of Disorganized Attachment,” May 31.

2008 Halfday Seminar Munich, Germany “Forms of Intersubjectivity in Infant Research and Adult Treatment,” May 31.
